

## Pray for the victim of Higashi-Nihon great earthquake disaster

Merciful and Loving Father, in times of joy and sadness, you have been with us and have never abandoned us.

As we continue to pray and offer our sacrifices to you, we remember all those who are suffering now due to the recent devastating Earthquake that happened in our country.

We ask you to console and strengthen them during this difficult time and that their normal and peaceful lives may soon be restored.

We also pray all those who died during this Earthquake that they may finally rest in peace in your light and love.

We ask this through Christ our Lord, Amen.

With the loving intercession of Mary our mother, Amen.
